If one of your child's teeth is getting wobbly or is even about to fall out, this thrilling book will tell the youngster everything they need to know. It contains two delightful illustrated stories about the Tooth Fairy and her good deeds. It includes a letter from the Tooth Fairy explaining how to take care of your teeth, plus a Tooth Fairy quiz! It comes complete with a little drawstring bag to keep those fallen teeth safe until the fairy arrives. How grown up you are now! Some of your beautiful teeth may be beginning to wobble, or one of them might already have fallen out. When this happens, the Tooth Fairy comes to visit. This exciting book tells you all about the Tooth Fairy and what you must do to make sure that she knows when to come. She also has lots of advice for you about looking after your teeth. This volume also includes two stories about this magical little creature, detailing her adventures and encounters with lucky children all around the world, and how she became the Tooth Fairy in the first place. Then there's a fun quiz containing ten questions about the stories you have just read. Most importantly of all, the Tooth Fairy wouldn't like any of your precious baby teeth to go missing before she can visit, so she has made you a special little bag. If you put a lost tooth in there and place it under your pillow at night, you may find a special surprise waiting for you when you wake up in the morning!
