## I Choose Everything: Embracing Life in the Face of Terminal Illness

By Jozanne Moss, Michael Wenham

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, I Choose Everything: Embracing Life in the Face of Terminal Illness, Jozanne Moss, Michael Wenham, Jozanne Moss and Michael Wenham have only met by email. Both are dying of Motor Neurone Disease. Both are married to remarkable people who support and care for them. Through Jozanne's story they address the myth that pain and suffering are sent by dark powers, and that God is only responsible for the good bits. Michael explains: 'We receive from God everything, both light and shade, praising Him in every circumstance, seeing all of life as His gift from beginning to end.' Michael bases the book around Jozanne's story, telling it in her words and with his commentary. This allows him to address big questions such as 'Why does a good God, if there is one, allow all this pain in his world?' Michael comments: 'God has brought us together with the same illness and the same goal: to encourage and inspire others with the life God has purposed for us.' Their story is sombre yet wonderfully uplifting, made radiant by the faith of the two authors.
