## THE WINDOW SASH BIBLE: A A GUIDE TO MAINTAINING AND RESTORING OLD WOOD WINDOWS

DOWNLOAD

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Window Sash Bible is about the repair, maintenance, restoration and improvement of old or historic windows made from about 1800 to 1940. With so much misinformation provided by replacement window contractors and vendors, this book aids homeowners, do-it-yourselfers, carpenters, architects, designers, preservation commission members, and anyone in the old-house business make sound decisions about windows. Since most homeowners are unaware of their alternatives, The Window Sash Bible provides an array of options to save money, energy, and historic windows for decades to come. The information is gleaned from my experience as a window repair contractor and old-house enthusiast, from other craftsmen, books, catalogues, journals, trade manuals, and ah-ha moments. Most of the recommendations are based on available materials and simple techniques that were once common. Whether doing the work yourself or hiring it done, the Window Sash Bible will help you understand how to evaluate any problems and how to undertake the repair process. Instructions range from simple tasks that anyone can do like replacing broken cords and cutting glass to repairs requiring intermediate wood working skills, for example, making a new sash rail. The book begins with window and glass history and nomenclature. Familiarity with the pieces and parts prepares you to discuss your windows knowledgeably with vendors, contractors, or other professionals and also sheds light on how your windows are supposed to work. Basic repairs and putty work include removing sashes, installing new sash cords and other balances, glazing (puttying), replacing broken glass, and everything you need to know about finding and using old wavy glass. Almost any old window can be retrofitted with effective weatherstrips. You ll learn how to weather-seal your windows with...
