SELLING OUT TO THE BILLIONAIRE

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. He s rich, arrogant, and he s about to make me lose everything. Derek Conway is my first client. I was so excited about selling a house and finally making some money. But I never expected him to be the client from hell. Even if he s got abs of steel and a jaw that could cut through glass, the guy is completely awful. I d punch him if I wasn t busy drooling on his shined shoes. Nothing I show him is good enough. In fact, the only thing that has caught his attention is me. How can he eye-screw me while scolding me at the same time? And why does it turn me on so much? If I don t get him to close on a deal soon, I ll end up on the street. I d work with someone else, but Derek won t let me. He demands all of my time. Just when I think I ve given him enough, he asks for more. How far does he plan to push me? And what if I can t say no? This is a standalone novella with a HEA and no cheating! Penny Wylder writes just that - wild romances. Happily Ever Afters are always better when they re a little dirty, so if you re looking for a romance that will make you feel naughty in all the right places, jump right in and leave your panties at the door!.
