

Muqtada al-Sadr and the Fall of Iraq (Main)

Filesize: 7.57 MB

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dylan Schaden)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Muqtada al-Sadr and the Fall of Iraq (Main), Patrick Cockburn, Muqtada al-Sadr's men are killing more British troops than any other group in the world today. Cleric, militia leader and fiercely anti-American politician, Muqtada's combination of nationalism and religious fervour appealed to countless angry and impoverished Shias, and as US control of Iraq disintegrates, the likelihood increases that he will assume total power in the Shia areas of the country. In a compelling narrative, award winning war correspondent Patrick Cockburn charts Muqtada's rise to power, his links with Hizbullah and the Iranians; and his confrontation with the American and British military. Cockburn has reported from Iraq since the 1970s (often at great personal risk), and combines first hand accounts of his investigations into Muqtada with vivid and dismaying reportage of the civil war now raging in a fractured country.
