Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What do you get when a group of people worships a non-violent individual and guns in the same breath while believing businesses and unborn beings should have more rights than women, minorities, and homosexuals? According to author Craig Rozniecki and his eleventh book, it s the modern-day Republican Party. In LOL at the GOP - Volume 4: Guns, Jesus, Corporations, and Fetuses, Rozniecki answers the following questions: Is it wise to run a marathon with a gun?; can stroking horses cure people of homosexuality?; do liberals talk about abortion while in the shower?; and many others. Not only that, but in this book, Rozniecki plays the undeclared Fox News game The Three Degrees of Benghazi, has some fun with the GOP s Obamacare-paranoia, and even goes so far as to refute Louisiana Republicans belief that President Obama was more to blame for the poor Hurricane Katrina response than former President George W. Bush. So, sit back, relax, and for the fourth time, get ready to LOL at the GOP!.
