It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pitchstone Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. So you re an atheist. Now what? The way we deal with life with love and sex, pleasure and death, reality and making stuff up can change dramatically when we stop believing in gods, souls, and afterlives. When we leave religion or if we never had it in the first place where do we go? With her unique blend of compassion and humor, thoughtfulness and snark, Greta Christina most emphatically does not propose a single path to a good atheist life. She offers questions to think about, ideas that may be useful, and encouragement to choose your own way. She addresses complex issues in an accessible, down-to-earth style, including: Why we re here, Sexual transcendence, How humanism helps with depression except when it doesn t, Stealing stuff from religion, and much more. Aimed at new and not-so-new atheists, questioning and curious believers, Christina shines a warm, fresh light on the only life we have.
