## CRYSTALLINE MATERIALS FOR ACTINIDE IMMOBILISATION (HARDBACK)

Imperial College Press, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book. This book summarises approaches and current practices in actinide immobilisation using chemically-durable crystalline materials such as ceramics and monocrystals. As a result of the increasing worldwide growth of the nuclear industry, long-lived  $\alpha$ -emitting actinides such as Pu, Np, Am and Cm are fast becoming a serious environmental concern - actinide-bearing wastes have accumulated in different countries due to nuclear weapons production. On the other hand, as...
