Reviews

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With an innocence bordering on the purile this book represents volume three in the increasingly farcical maverick collection of poems by this author. Writhing in ambiguities, peppered with oddness and obscurities, these poetic monsterettes are offered as a gentle prayer to mediocrity.
