This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

MARRINERS YARNS

Carnegie Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Marriners Yarns, George Ingle, A fascinating insight into an industry that shaped the Yorkshire landscape which will appeal to those interested in the history of the county, Keighley, knitting and our industrial heritage generally. Marriner's wool and patterns have clothed generations of British families, but few people are aware of the fascinating story of this famous company. This well-written, readable account puts the firm under the microscope in a way which contributes greatly to our knowledge and understanding of mill working and management.
