To improve the odds of locating her, Saul goes to The Bridge Authority, the monopoly which runs the wire network. He asks the Authority's president, Michelle Warren, to temporarily suspend all wire services. She flatly refuses. Why? What possible reason could the Bridge Authority have for deciding to condemn this innocent girl to death? As the ballerina's life slowly ticks away inside the wires, and Saul races to unravel the mystery of her disappearance, the answer gradually comes to light. Bring this girl out, and the whole nature of civilization could change drastically for the better or the worse. Is one life worth such a risk?
