## COMEDY OF ERRORS [THE]

Dover Publications, Mineola, 2002. Paperback. Book Condition: New. New Edition. 96pp Dover Thrift Edition. [In stock in Australia, for immediate delivery] Unabridged republication of a standard edition. Based on a pair of comic dramas from ancient Rome, The Comedy of Errors presents a spectacle of pure farce in the spirit of utmost fun and - as the title suggests - hilarious confusion. Two sets of identical twins provide the basis of ongoing incidents of mistaken identity, within a lively plot of quarrels, arrests, and a grand courtroom denouement. One of Shakespeare's earliest dramatic efforts, the play abounds in his trademark conceits, puns, and other forms of fanciful wordplay. It also foreshadows his later and greater comedies, offering students and scholars a valuable key to the playwright's development. These Thrift Editions are useful workshop or rehearsal tools - you may be reluctant to annotate more expensive versions (or throw them around with thespian abandon), but these hardy and handy editions don't mind that treatment at all!
