ARDUINO PLAYGROUND : GEEKY PROJECTS FOR THE EXPERIENCED MAKER

US No Starch Press Apr 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Arduino Playground will show you how to make gadgets with the Arduino hardware platform that you can use in your home, workshop, and even with your friends. Some projects are practical, others are pure fun-but all are designed to teach you something new about building with electronics. Each project kicks off with author Warren Andrews' own inspiration for the design and a guide to testing the basic circuit on a breadboard. Next, you'll find the code you need to make everything work, templates for circuit boards that you can make yourself, hands-on instructions for building permanent project enclosures, and plenty of opportunities for customization. What are you waiting for Think outside the box and start building some awesome Arduino projects. 344 pp. Deutsch.
