Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

START ME UP

St Martin's Press. Paperback. Book Condition: new. BRAND NEW, Start Me Up, Nicole Michaels, Single mum Anne Edmond can handle - and hand - make - just about anything. From table settings to party favours, there is no project her creativity and a glue gun can't tackle. But dating? That's a whole other story. Case in point: Mike Everett. He's a gorgeous mechanic and known car-whisperer, a man who can restore classic cars like no other. And he has thrown a monkey wrench into Anne's carefully-crafted life. One look at Anne is enough for Mike to know that she's no fixer-upper. She's perfect just the way she is-and the chemistry drives him wild. Mike's always been a no-strings kind of guy, but Anne's independence-and gorgeous exterior - gives him pause. This time, a fast joyride just doesn't seem like enough. But first he has to convince Anne that he means to take her all the way.
