Illustrated Architectural, Engineering, Mechanical Drawing-Book: For the Use of Schools, Students, and Artisans (Classic Reprint)

By Robert Scott Burn

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Illustrated Architectural, Engineering, Mechanical Drawing-Book: For the Use of Schools, Students, and Artisans Where this has been departed from, and an apparent mixing up of examples has resulted, considerations involving obvious advantages have suggested the change. On the whole, however, we trust that the classification so desirable has in some measure been obtained. Although aware that architectural and mechanical drawing has for some time taken its place in many scholastic establishments as a branch of ordinary education, we are nevertheless anxious to see it still more extensively adopted. We conceive it likely to be of more general use - even to those who may not at all contemplate following up any of the professions to which it is more specially useful - than may at first sight be acknowledged. Apart from the habit of method, which, if it does not create, it will at least foster and encourage, we see many advantages accruing to those desirous of having a knowledge of science by an acquaintance with its practice. And there are few, we think, in...
