Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is not your mother s second wedding! Getting married again? Wondering why the planning is harder than you thought it was going to be? You ve done this once already, what s going on? Stacey was twenty-eight when she got divorced and thirty when she walked down the aisle for the second time. She didn t know one person who was divorced at her age, let alone remarrying. She didn t feel like she had the right to ask for help with anything. Friends and family helped her plan the first wedding (bridal showers, engagement parties, gifts) and they supported her through her divorce. How could she ask for anything now? After she got married (round two), she began to see more women going through the same process - getting married way too young, getting divorced and remarrying around thirty. She soon felt compelled to write this book. She saw herself as a pioneer and maybe she could help others going through the same thing. Almost everything went wrong when she was planning her second wedding. The only right part about the whole experience was her husband-to-be. But even though she was marrying Mr. Right, the Universe kept sending every wrong circumstance her way. She soon discovered that she was the source of her own misery. Her frame of mind attracted these circumstances. She was engaged less than one year after her divorce was final. That isn t much time, especially because once she received those papers she never looked back - never thought about it, never talked about it.nothing. So, she never dealt with all of the emotions surrounding her divorce. Throughout the whole planning process,...
