This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Condition: New. Ships From Canada. New in new dust jacket. Sewn binding. Cloth over boards. 223 p. Five Star First Edition Western. Audience: General/trade. Book Description: Randolph Jefferson ""Soapy"" Smith was driven out of Denver. It was, however, only a temporary setback. As good fortune would have it, the mining town of Creede was even more ideal. The vice and con games in Creede were dominated by the infamous Bob Ford, slayer of Jesse James. Leavened with humor and rollicking fun, Creede is also a hot spot for armed force and violence, especially as Bob Ford has no intention of surrendering anything to the newcomer, ""Soapy"" Smith. James David Buchanan grew up in Birmingham, Michigan. He has had five novels published, four of them in Great Britain and three in German, French, and Italian. He has worked as a jazz musician, a stage hand, television director, Hollywood studio tour guide, casting director, schoolteacher, television producer, screenwriter and novelist.
