Filesize: 1.03 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1996. Paperback. Book Condition: New. 3rd Revised edition. 198 x 137 mm. Language: English . Brand New Book. Reviews of the previous editions A book to be commended to everyone. There are very few books written for ordinary members of the public on Dyslexia, but this one gives a very clear insight into the difficulties and frustrations experienced by those suffering from this disability. - Disability News Written from personal experience, this book clearly describes and illustrates how written communication can appear to a dyslexic person. The reader gains an increased awareness of the problems and understanding of how difficulties can be minimised. This book reinforces positive attitudes, and will be of interest to parents, teachers and employers. - Disabled Living Foundation Well written and beautifully printed. The style is direct and informative and could help not only parents and teachers but young people struggling to understand why they are encountering problems with reading, writing and spelling. This is a useful text for anyone who wishes to learn more about this pervasive and important problem. - Rehab Network As this clear and concise book demonstrates, dyslexics are often treated unfairly. Readers can step into the author's shoes as he shows how writing may appear to a dyslexic. Such a book should help everyone to understand and accommodate this learning disability. - Nursery World Written by a dyslexic this book explains simply and concisely for parents and teachers who know little or nothing about dyslexia and what it means to be dyslexic. It is an easy read and comprehend primer which emphasizes the importance of early intervention and that he/she won't grow out of it and the need for alternative strategies. An excellent introduction to the subject which can be understood by a novice. Recommended....
