Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

TATE PUBLISHING, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. All Around the World is a charmingly illustrated journey of discovery through different environments: ocean, forest, jungle, desert and the Arctic. Each is shown in a giant, fold-out panorama. Children will love Geraldine Cosneau s quirky illustrations and the beautifully produced animal characters they have to place in position to bring her landscapes to life. On the reverse side of the panoramas are pictures to complete. When finished, the panoramas can be detached and put on the wall or left in the book to be used again. With eight large fold-out scenes and hundreds of charming reusable stickers, this book lets every young child discover a whole new world of adventure and fun, and make it their very own.
