Dr. Robbie McCurdy has continued the medical practice begun by his father, Andrew, at the turn of the century. He and his wife Helen and their two children are impacted by the Great Depression, and they struggle to support Hope House, the vision of Andrew s wife Amy. As war looms on the horizon, daughter Dorothy develops a pen pal friendship with a Jewish girl in Italy, and her childhood friend Philip Hanover follows his dreams of space exploration. In this family saga, God demonstrates that He is outside of time, knowing the end from the beginning. Amy s Hope Chest continues to be the conduit for mysterious links to the past and the future in this series of time travel with a twist.
