Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I have given an account of Minnie s pet parrot, and of Minnie s pet cat. In this volume I shall give the reader an account of her pet dog, Tiney, with anecdotes of other dogs. Tiney was a spaniel. He had long, pendent ears, black, expressive eyes, a short, well-rounded mouth, and long, silky hair. He was an affectionate little fellow, who attached himself to every body in the house. He was on the most friendly terms with Fidelle, often eating sociably with her from the same plate. In summer, when Minnie liked to play on the lawn, Tiney might be seen running here and there in obedience to his young mistress, picking up a ball or stick, and bringing it to her in his teeth. If the truth must be told, Tiney was a dog that loved his own ease. In the winter he liked to lie on the hearth rug in front of the glowing fire, one eye partly open, to be sure that Fidelle, who was fond of playing with his tail, committed no indignities with it.
