University of Wisconsin Press, United States, 1989. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dove states that the purpose of this book is to develop a theoretical base for a critical approach to the interpretation of the formula story. Such an approach should take into account the relationship between author and reader that determines such tacit agreements as the two axioms of formula fiction, the reader-knowledge convention, and the signals that pass between author and reader. Specifically, the chief concern of this book will be the criticism/interpretation of the mystery.
