THE UNITED STATES A CHOSEN NATION: WITH A DISSERTATION ON ECONOMICS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The United States a Chosen Nation: With a Dissertation on Economics Despise not prophesyings.-paul. The testimony of Jesus is the spirit of prophecy.-]ohn. Surely the Lord God will do nothing, but he revealeth the secret unto his servants the prophets - Amos. This pamphlet presents the writer s vision of the United States as a chosen nation. It also states the prophecy of Christ declaring there would be such a nation under the New Testament, to evangelize the world and elevate the human race. Let the churches, schools, newspapers, and institutions of government in this land accept the mission and destiny of the United States, to which God is calling the American people, and this nation will continue to prosper. In addition there will be such showers of blessings coming down on us, and from here spreading worldwide over the whole habitable earth, as to surpass in glory both Tabor and Pentecost. Should this work assist in the consummation, and also lead the churches and of all denominations to greater faithfulness in proclaiming the whole counsel of God, and particularly in declaring what the Scriptures teach in reference to nations, the Author will be more than satisfied.
