JOININGS

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 213 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Joinings is a book which uniquely fuses a deeply female generational story with a tingling tale of the supernatural, and stirs the heart while tickling the mind.Set in the Colorado town of Leadville, the book depicts the lives of an interlocking series of women, several of whom belong to the Sodalicum, an ancient sisterhood whose individual members are endowed with bequests or special sixth senses that enable them to tap into apparently divine powers. But in her grandmother s house she not only finds the maternal sympathy she craves, she finds as well a woman experienced in the extra-worldly mysteries of the bequest and willing to teach her. Grace will take her under her wing, instruct her in her gift, encourage her to overcome her trauma and fall in love, and allow her to understand the ancient order to which she belongs, in a highly ritualized process called her...
