Paperback. Condition: New. 143 pages. Ready to make the odds a little better Discover the methods casinos dont want you to use! This book will help you even the odds at the casino and sports book, and increase your chances of breaking the bank!A Winning Gambling Strategy. . . And How To Get It!gives easy to implement techniques that will help you level the playing field. If you decide you want to take your skills to the next level and gain an advantage over the casino, that information is provided as well. This is not another gambling guide explaining the basic rules and procedures of casino games. It assumes you know the basics and are looking for ways to improve your results. It can be called the cliff notes to casino gambling. This book focuses on the average gambler who doesnt have the time to spend hundreds of hours learning the mathematical formulas and procedures necessary to defeat the casinos. It provides ordinary gamblers with easy to use methods to lower the casinos advantage. This book covers most of the major games as well as money management, betting techniques, comps and rewards programs, advantage and professional gambling, casino tactics, and gambling psychology. If youre tired of handing over your money every time you walk into a casino, its time to learn how to fight back. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
