Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever had an almost supernatural experience and wondered, Did this really happen or was I dreaming that I flew over the Blue Mosque of Bagdad? These stories will leave you convinced that you were right there alongside the characters whirling on a giant merry-go-round with the eight immortals and vanishing into a rainbow of tiny lights on Orion. Through her special knack for anthropomorphism, poet/artist, Edi Holley gives her characters endearing (and quirky) human traits and dialogue which captures our most basic emotions and needs, especially love. But be assured, these are not simple children s stories. Unwrap each one to find a valuable lesson in life.
