Her name is Heather and just like my best friends and me, she is from Denver. Second, I have made many friends from other states and churches. Some of the friends that I have made, however, live in Denver. Some even go to Jameson Ridge High School like my best friends and I do! One cute friend that I have made sticks out in my mind. His name is Michael, and like my besties and myself, is going to be a Junior. With all of the friends that I have made and all of the fun and educational activities coming my way, this summer just may turn out to be one of the best ones that I have ever had!.
