iUniverse. Paperback. Condition: New. 536 pages. Dimensions: 8.8in. x 6.0in. x 1.3in. Dont let the title of this book fool you. This medical study guide is packed with information. Random Musings earned its title to reflect the random nature of the occurrence of illness and the random nature of questions that medical students, resident doctors and specialist doctors must answer during the course of their training, re-certification examinations, and practice. Because the most popular formats for assessments are multiple choice and short answer questions, candidates must learn to think on their feet literally and precisely. This means the candidate must have facts at their fingertips. Some facts are popular and accessible, while others occur in the blind spot of knowledge. Random Musings aims to highlight the facts that are not in your face but that are important. Filled with definitions and descriptions of everything from dependency to blood alcohol levels, behavior therapy, and delirium, author Daniel Okoro has compiled a thorough review of terms, diagnoses, definitions, and ideas that are important in the field of medicine and psychiatry. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
