Penguin Books Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. The Prince George Diaries is a new comedy about the Royal Family told from the inside out. Great diarists have changed the course of history, charted the swell of revolutions, the rise and fall of empires through the power of their pens. But for the first time ever, the gimlet eye of a tiny literary colossus - small in stature but mighty in influence - unlocks the closely guarded secrets of the British monarchy. How? He's one of them. The Prince George Diaries is a no-holds-barred exclusive never-before-seen fly-on-the-wall, behind the scenes rollercoaster expose written from the inside. From David Cameron's weekly meetings with the Queen (I've given up bread, Ma'am - can you tell?) Princess Anne's terrifyingly combative party game tactics (Who's got the cojones to take me on?) to Prince Harry's lessons on family history (Did you know Great Grandpop's first pet was a dinosaur and that he invented fire?) - it is all here. And much, much more. But George's position as the world's most influential baby is suddenly under threat, following the shocking news that he's going to have a sibling. He knows how to be a media superstar. He doesn't know how to be a brother. What will the future hold now an imposter looms large on the horizon.?
