Reviews

This book might be worth a read, and far better than other. It is rally interesting through studying time period. I discovered this book from my i and dad suggested this ebook to find out.
(Isobel Bailey)

BATTLE FOR FOREVER: PRELUDE

Babelfish Press. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 8.0in. x 5.2in. x 0.5in. Okay, first off, if youre reading this, Im breaking about a dozen rules here. Easy. Ill probably get grounded for it. And by grounded, I dont mean Ill have to stay in my room unable to go out the next twenty-five Saturday nights, I mean, grounded. Into dust. And buried under a thousand pounds of rock. That kind of grounded. But I need help, and the only way to convince you and everyone else to give me that help is to tell you my story. The fact that youre reading this means that, at least where you are, people can still print things or electronically disseminate information. Youre alive. You might even have electricity. I hate to tell you, Im not sure how long thats going to last. You see, they have a plan. And believe me when I say this, time is on their side. Someone once told me my name means the defender of mankind. Unfortunately, it may actually come to that. My name is Alexander Grant. Im a sophomore at Monument High. Today is my birthday. And at precisely 3: 16 this afternoon, I turn fifteen hundred years old. ----- Alexander Grant is about to take his 3000th history test. You know how you feel like youve been going to school for a thousand years Well, he actually has. No one in his school has any idea that although he looks like a normal teenager hes actually 1500 years old. Not the girl he likes. Not his best friend. No one. That is until someone tries to kidnap Alexander and use him as bait to catch the only person capable of stopping a plan that would change the world forever. Ingenious storytelling. Fresh. Funny. Thought...
