This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Alma Books Ltd, United Kingdom, 2014. Hardback. Condition: New. Translation. Language: English . Brand New Book. The most celebrated of French medieval poets, Francois Villon makes poetry out the basest material - the raw urban life of Paris with its petty officials, students, clergy, tradesmen, pimps, whores and thieves. Despite successful studies, the young Villon immersed himself in this world, embarking on a career of petty crime that brought him repeated imprisonment. Condemned to death, but then reprieved and banished from Paris, he disappears from history in 1463, leaving behind a legend of poete maudit that has never lost its fascination. Dual language edition.
