paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 220 Publisher: China Economic Publishing House Pub. Date :2008-01. Parents are children's first teachers & children and social contact with family is the first stop is the ability to develop an integrated base for the child & the child's overall quality birth should be interested in training their children. Children's education and training & not only in homework assistance & and more importantly & at any time should focus on cultivating a child's good qualities and good behavior. Foster children open-minded enthusiasm & indomitable courage & helpfulness & pioneering personality & and adapt to the environment & self-control ability & cooperate closely with schools to promote children moral & intellectual and physical development & teaching children how to behave & from a man's fundamental science & the the real social needs of the children to develop into a useful person. Therefore & the family-based sex education is not only the cornerstone & but also dominate the other's education & any school education and social education can never be replaced. Family education & school education & more than shaping a child's moral character & cultural tastes and values. Scientific guidance on family education & support & and modern technology & law & family education can play a guiding role to enhance and protect the good family education a smooth & harmonious & sustainable and healthy development. This book is a must-read home education! Contents: Chapter infancy (0-1 years) - children awareness of the early formative stages of a child's psychological development during infancy characteristics of the children know how to express love for your attention to the child first language training the children's sense of humor to encourage...
