J L Behrens, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are fairy tales, you know the ones, which end in happily ever after. Where the princess rides off into the sunset safely pinned to a majestic white horse by her gallant knight. Yes, there are fairy tales. And then there s us. New York is my fresh start, my third in as many years. A fresh start; with no assholes in my near future. That s right, you guessed it, two in as many years, assholes that left me with a very strict aversion to romance. Then I met a guy, a guy who would force me to stay, not to run. A guy who I first encountered fucking someone else in a hallway. He was everything I wanted, and everything I didn t. He was beautiful, and beautifully frightening. And I was the princess that would mend his scars, erase them one by one, until he was whole again. Or so I thought. Yes, ours is a fairy tale, but not one that you might expect.
